March, 2019

Dear Friends and Montgomery Business Owners,

**“Our Farms To Your Tables”** has been chosen for this year’s theme of the Van Harlingen Historical Society’s 2019 May in Montgomery, Saturday May 11th. It will feature a luncheon and a bus tour to local farms marketing the new farm to table movement.

This will be our 40th year making Local History come alive for the entire community.

As always, we will be publishing a souvenir booklet as part of May in Montgomery. In addition to reaching the event visitors, these booklets endure and are sought after as keepsakes of our active Community. We are seeking your support with an advertisement in the booklet making your business an active player in this longstanding Montgomery tradition and showing your support of our local historical society. Participation by our local businesses helps us maintain the Society’s treasured old buildings and helps to fund the many history programs we offer throughout the year.

There are various levels of support, with the attached form providing details. Members of the Board of Trustees will be reaching out to you as well to discuss your interest. If you are interested moving forward, please let us know and we can pick up the completed form with the payment.

Please feel free to contact Arun Mani, email: [axmani@comcast.net](mailto:axmani@comcast.net) if you have any questions. We look forward to your participation.

Sincerely,

John Waltz

President
